

PARENT RIGHT TO KNOW (TITLE I)

As a parent of a student at Orchard Avenue Elementary, you have the right to know the professional qualifications of the classroom teacher who instructs your child. This is a requirement for all districts that receive Title I funds. Federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information about which you have the right to ask for regarding each of your student's classroom teachers.

- “ Whether the Colorado Department of Education has licensed or endorsed your student's teacher for the grades and subjects taught.
- “ Whether CDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- “ The teacher's college major; whether the teacher has any advanced degrees, and, if so, the subject of the degrees.
- “ Whether any teachers' aides or similar para-educators provide services to your child and, if they do, their qualifications.

Please contact the principal at the office phone number if you would like to receive any of this information.
