

Four Easy Ways to Support Orchard Avenue PTA

City Market Community Rewards

- Go to www.citymarketcommunityrewards.com.
- Click “Enroll Now” from the community rewards page.
- Sign on to your City Market online account. If you don’t have an online account, you will need to create one. You’ll need to know either your account number OR your alternate id (usually your phone number).
- In the Search field, enter “Orchard Avenue Elementary PTA.” (Our organization number is 10018). Select us as your organization and you are done!
- If you do not have a City Market rewards card, you’ll need to sign up for one first, which you can do online or in a store.
- If you have any problems signing up online try changing your preferred store to the Rood Avenue store. Or call 1-800-KROGERS and they will sign you up directly.
- **You must re-enroll for 2018 even if you signed up last year!**
